

NEWS OF THE NEIGHBORS

DAVENPORT

Senator Cummins Here.—Senator Cummins went through Davenport on the Rocky Mountain limited yesterday noon, on his way home to Des Moines from Washington. There was a live delegation of his friends at the Rock Island station to greet him during the train's brief stop here.

Odd Fellows Plan Picnic.—A grand annual picnic will be given by the Odd Fellows of district No. 82 at Suburban Island Labor day. All sorts of athletic events and amusements will be arranged. The picnic will last all day; in the morning indoor baseball will be played and in the afternoon two of the best amateur teams of the city will cross bats. All proceeds will go to the defraying of expenses for the grand lodge this fall. The committee in charge is J. A. Doran and Albert

PARIS DOCTOR'S DISCOVERY

Dandruff, Falling Hair Are Caused by a Microbe—Dr. Sabouraud Proves It.

Dr. Sabouraud is the leading dermatologist of France.

To prove his theory that germs cause dandruff, he infected a guinea pig with these microbes and in a short time the hair from the animal's body disappeared.

And Parisian Sage, which can now be obtained in America has an immense sale and is highly recommended by physicians in all parts of the world.

It is just because it is the only prescription or hair tonic that is absolutely sure to kill the dandruff germ.

It is guaranteed to cure dandruff, stop falling hair or itching scalp in two weeks or money back.

In warm weather it keeps the scalp clean and cool and free from obnoxious odors. Parisian Sage is a pleasant and dainty hair dressing that will put a bewitching charm and luster into faded and lifeless hair in one week. It is distressing for any woman to have dull, unattractive hair and women so unfortunate should use Parisian Sage.

Parisian Sage costs 50 cents a large bottle at the Harper House pharmacy and is sold by leading druggists everywhere. The girl with the auburn hair is on every bottle.

Schultz. The noble grand of Scott Zedok Rebekeah lodge, Mrs. Newton will have charge of the rollerway; G. W. Shunk of the dance floors; E. J. Brasted of the bowling alleys; L. E. Morrow of the racing contests; J. A. Doran of the baseball games, and Al Schultz of the other contests.

Changed to Partnership.—Following the announcement of a few days ago that the Bettendorf Metal Wheel company had been changed from a corporation to a partnership, comes the same word from the Davenport Wagon company.

Patch Up Trouble.—All is apparently lovely and happy again in the household of Goldstein. Mrs. Goldstein and her 6-year-old child, who had left husband and home in South Bend, Ind., were located in this city by the husband. In their company was Mike Greiner, who once before, so the husband claims, ran away with his wife. All the parties were placed under arrest by Detective Bishop of the police force. Saturday the husband stated he was through with his wife forever and would have nothing more to do with her. The wife also stated she had no love for her husband. But yesterday both changed their minds and started their courtship anew at the police station with the result that the couple decided to return home together.

Obituary Record.—Miss Signa Peterson died at the home of her brother-in-law, Samuel Math, 7 Sylvan court, at an early hour yesterday morning, after an illness of several weeks. She was born in Sweden in 1881 and came to America to make her home with her sister, several years ago. She is survived by three brothers and two sisters, all living in Sweden, except one sister and one brother.

Mrs. Lydia Gardner died yesterday at the home of her daughter, Mrs. E. S. Tilford, 461 Tremont avenue. Deceased had reached the age of 91 years, having been born June 2, 1814, at LeRoy, N. Y. She leaves two daughters, Mrs. E. S. Tilford of Davenport and Mrs. George B. Swan of Des Moines, Iowa, and a son, W. S. Palmer of Evan's Mills, N. Y. She is also survived by grandchildren and great grandchildren.

The death of Miss Adalia Kruse occurred Monday morning at her home, three miles west of the city limits on the Kradel street road, after a short illness. She was operated on a week ago for appendicitis. Deceased was 21

years, 10 months and 13 days of age. She was born in Germany and came with her parents to America 20 years ago, direct to Rock Island and 13 years ago moved to Davenport. She is survived by her parents, Mr. and Mrs. George H. Kruse, five brothers and sisters, Mrs. Mary Westensee, John H. Gustav J. Henry M. and Miss Rose Kruse, and her grandparents, Nicholas Henschen and Magdalena Vollmer.

AMUSEMENTS

Shows Far East.—The record breaking voyage of our magnificent battleship fleet has excited the envy and admiration of all maritime nations of the world. One great result of this globe-circling cruise has been to acquaint thousands composing the crews of our ships with scenes and with the people of the far east. The story will be told far and near and will excite widespread interest and curiosity to see the strange people of the orient. That the naturally aroused desire of the public to see as well as to read and hear of these strangers of the antipodes might be gratified was one of the main causes impelling Colonel Cody and Major Lillie to arrange for the present season to supplement Buffalo Bill's Wild West with Pawnee Bill's Far East, thus forming the first complete school of ethnology of human natural history ever presented to the people of any land. This dual sensation at Davenport, Thursday, Aug. 12.

Beware of Ointments for Catarrh that Contain Mercury.

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists. Price 75 cents per bottle. Take Hall's Family Pills for constipation.

MOLINE

Fire in Hotel.—A fire alarm turned in at 3 o'clock yesterday afternoon caused the fire department to make a run to the Manufacturers' hotel to extinguish a slight blaze which had originated on the ceiling of the third floor and the floor of the fourth floor. A chambermaid who says she had been using gasoline to exterminate bed bugs is thought to have caused the blaze. The manager denies this, insisting that the fire was caused by crossed wires. The fire department for some time was unable to locate the seat of the blaze. The floor was chopped away in order that a line of hose could be played on it, but the water seemed to have little effect. The police were called to keep people from entering the place, and those then in the building were instructed to remain quiet and were told that there was no danger. The blaze was extinguished with slight damage.

Two Days Reunion Here.—The reorganized Church of Jesus Christ of Latter Day Saints of two states, Illinois and Iowa, will hold a reunion at Prospect park from Aug. 13 to 22, inclusive. The reunion will be similar to the Methodist camp meeting. O. H. Bailey of Amedia, Ill., a member of the committee on preparations is in the city at present and is making preparations to entertain the delegates. It is expected that between 200 and 300 will be present. The meeting will be held daily in the new pavilion, and the meals will be served in the old pavilion. About 25 tents have been engaged and will be pitched on the west hill.

Working on New Factory.—Work has been started on the new pole and shaft factory which is to be located in the east end of the city. The building is to be 101 feet wide and 205 feet long and will be one story in height. In the main building there will be the assembling and forge rooms, and also the paint and storage rooms. The extension to the building will contain the drying room and the ware room, and will be 55 feet wide and 101 feet long.

Gasoline Stove Blows Up.—As a result of the explosion of a gasoline stove in the home of Frank Miller at Eighteenth street and Twenty-fifth avenue yesterday the fire department was called to extinguish the blaze which had started in the summer kitchen. Mrs. Miller was washing and started to fill the hot stove with gasoline and the explosion followed.

Obituary Record.—Andrew Westlund, formerly of Moline, died at his daughter's home in Greeley, Neb., Sunday about noon, after an illness of about two weeks with dropsy and asthma. Deceased was born in Helsingland, Sweden, Feb. 3, 1829. While a boy he came to this country with his parents and first settled in Moline. After living here a few years he moved to Lynn Center, Ill., where he was engaged in the manufacture of bricks until 26 years ago when he moved back to Moline. Up to three years ago he lived here working as an upholsterer in various furniture stores. At that time he went to Greeley, Neb., and till his death had lived with his eldest daughter, Mrs. Christina Lindberg. When the civil war broke out Mr. Westlund enlisted and served for three years in the union ranks. After the war he married Miss Christina Olson and four children came to bless this union, all of which are living. They are Mrs. Christina Lindberg, Greeley, Neb., Mrs. Sarah Danielson, Omaha, Neb., J. W. Westlund, 235 Fortieth street, and E. N. Westlund, 241 Third street, both of Moline.

FAIR EXCHANGE.

A New Back for an Old One—How It Is Done in Rock Island.

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are no more to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Follow the example of this Rock Island citizen.

M. Felix, 930 Fifth avenue, Rock Island, Ill., says: "It is now six or seven years since I first used Doan's Kidney Pills but I will never forget what this remedy did for me. I suffered from a weak back and pains across my kidneys and I was unable to find anything that would help me. While I was not laid up, my kidneys were badly disordered and caused me no end of annoyance. Finally Doan's Kidney Pills were brought to my notice and procuring a box at the Harper house pharmacy, I commenced their use. In a short time I was cured and since then I have had no return of kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn company, Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Flour Talks # 8

You needn't worry about how the bread or cake is going to "turn out," if you make it with Occident Flour. It took years of experimentation, years of patience and utmost skill, to produce a flour of such high quality, and such unfailing quality, as that to which we gave the name Occident.

So now, having attained the highest standard, we guard Occident Flour against any influence—any condition—which would lower its quality, just as we might guard treasure against theft.

All the way, from the purchase of the best hard wheat, through every detail of our milling process, through every test science has devised—nothing but the best is good enough for the flour which is to bear the Occident label.

You will never make soggy bread or sad cake with Occident Flour. Your baking days will be happy days, free from worry. Peace of mind is worth a lot. Then the economy of Occident Flour! Better bread and pastry, and more of it per sack. That's our guarantee. Ask your grocer for Occident Flour. If you are not pleased with it, he will refund your money.
